The Stooges, Kill City

Well I live here in kill city where the debris meets the sea I live here in kill city where the debris meets the sea It's a playground to the rich, but it's a loaded gun to me

Well I'm sick of keeping quiet and I am the wild boy I'm sick of keeping quiet and I am the wild boy But if I have to die here first I'm gonna make some noise

Give it up - turn the boy loose Give it up - turn the boy loose Give it up - turn the boy loose Give it up - turn the boy loose

Turn that boy loose!

Yeah the scene is fascination man and everything's for free The scene is fascination man and everything's for free Until you wind up in some bathroom overdosed and on your knees

Give it up - turn the boy loose Give it up - turn the boy loose
