The Story So Far, Compare And Conform

These chains are heavy, but these hand stay steady Grasping the anxiety of decision But these walls are breaking, times up we're putting Our thoughts into actions so let's take What WHAT we WE

Want and apply it to what we have To figure out what we need Cause through the pain WE'RE AS STRONG AS EVER It's in your hands IT'S NOW OR NEVER I'm not just yelling words

I'm not just preaching It's more like teaching

So I'll tell you what we will do We'll fly real hi like doves do And we won't ever come back down Give this your all and push through Prove to yourself you can do anything you want to

It's such a cold day, but our hearts stay steady Hoping but knowing that we're ready (for anything) Cause you can bet me that we'll win it all Our progress will not falter lets give them something They THEY will WILL

Talk about, our strength unbound
Turn the wheels with no regrets
NO REGRETS NO REGRETS
Listen closely follow along I tried my hardest
To write this song to be a message for all of you

I'm not just preaching It's more like teaching

Hold us back we'll run right through you The gratitudes worth what we go through You can yell till your face turns blue The good thing is you know I hate you

I remember those days When my friends and I had simple ways
