The Streets, Weak Become Heroes

Turn left up the street Nothing but grey concrete and dead beats Grab something to eat Maccy D's or KFC Only one choice in the city Done voicing my pity, now let's get to the nitty gritty Tune reminds me of my first E Polite, unique, still sixteen and feelin horny Point to the sky, feel free A sea of people all equal, smiles in front and behind me Swim in the deep blue sea, cornfields sway lazily All smiles all easy, where you from what you on and what's your story? Mesmerizing tones risin planos this is my zone so stop clonin Pick paper scissors or stone 'Cause me and you are same. I've known you all my life I don't know your name The names European Bob, sorted, anyway Gonna have dance now see you later, pleased to meet you Likewise, a pleasure
