The Style Council, Right To Go

If we don't move - the moves our last We deprive ourselves of our only chance Now once and for all, the right must go Now all for one - register to vote It's a chance to show, that you can't be bought Whatever you think - whatever you thought You've got the choice, for what it's worth You know a third terms gonna cut the earth Disregard the cost is the party line A nation filled with apathy, suits fine To be unemployed and stay alive No Torys gonna tell you one in five One in five or one in three The difference is they don't lose no sleep Now once and for all the right must go Now all for one - register to vote

The power that you need is in your hands
Or a one party state is how we'll stand
Every vote wasted, is our hopes lost
Make it your decision and your cross
X marks the spot, that could change your lives
Every vote cast for a better time
Now once and for all the right must go
Now one for all - register to vote
