

The Summer Obsession, Down For Whatever

I don't care
What we do
Where we go
How we get there
We can drive
We can walk
We can fly
We can sit here
(I can do anything I want)
Take your time
I'll be fine
(I can do anything I want)
Nevermind me
I'm alright
(I'm done)
'Cause tonight
I'm down
For whatever
Tonight
I'm down
For whatever
Got no flow
I'm so broke
Findin' change between couches
Up in smoke
All my plans
Got my hands in my pocket
(I can do anything I want)
Take your time
I'll be fine
(I can do anything I want)
Nevermine me
I'm all right
(I'm done)
'Cause tonight
I'm down
For whatever
Tonight
I'm down
For whatever
A1A bust a left
Drive the beach when it gets late
Moonlit night
Summer skies
We align with the ocean spray
'Cause tonight
I'm down
For whatever
Tonight
I'm down
For whatever
(And I am down for whatever)
I can do anything I want
(I'm down)
Tonight I'm down for whatever
(I can do anything I want)
(I'm down)
I can do anything I want
I'm down
For whatever
Tonight
I'm down
For whatever
Tonight...
