

The Summer Obsession, Never Coming Back

What is going on
In my head these days
It's like everything I know
Keeps slipping away

And I'm left with my last
Drop of gas
To get me on my way
To the ocean

10 O'Clock
I should be at my shitty job
And I can't bring myself
To stop giving up
What's the point of living
If I ain't living it up?
Jump, jump into my car

Roll the windows down
Turn the stereo up so loud
I can't hear you now

I'm never coming back
Never coming back
To reality
'Cause reality is illusion anyway

Low, low is the battery to my phone
And my girlfriend calls
She knows that I'm not alone
And I don't care 'cause I'm gone
And you don't own me anyway
(Own me anyway)
Save it for a rainy day

Roll the windows down
Turn the stereo up so loud
I can't hear you now

I'm never coming back
Never coming back
To reality
'Cause reality is illusion anyway

If all we are is dust
I must keep running away
Away...
'Cause it doesn't matter anyway

What is going on
In my head these days
It's like everything I know
Keeps slipping away

And I'm left with my last
Drop of gas
To get me on my way
To the ocean
(To the ocean)

Roll the windows down
Turn the stereo up so loud
I can't hear you now

I'm never coming back
Never coming back
To reality
'Cause reality is illusion anyway

And everything we know
Everything we see
Everything we are
Is an illusion...
'Cause reality is illusion anyway
