

The Sundays, Turkish

You finally happened today
you finally happened.
They know you're something to see
so finally happy.

Ooh you're supposed to be seen not heard so.
Fly by blue bird long life all gone.
Bye bye blue sky all my love gone away.

You finally happened to me,
we finally happened.
They used to be something to see
So finally happy.

Ooh you're supposed to be seen not heard so
Fly by blue bird nightmare don't cry.
Bye bye blue skies all my love gone away.
