

# The Supremes, Baby Don't Go

(Berry Gordy, Jr.)

You said you loved me  
We'd never part  
Now you're breaking  
Yes you are breaking my heart  
Baby don't go, don't go, don't go, baby don't go  
Stay and tell me I'm still your baby

You found another love  
But it can't be true  
Because you love me  
And I'll always love you  
Baby don't go, don't go, don't go, baby don't go  
Stay and tell me I'm still your baby

True love is hard to find  
But you'll never never never find a love like mine  
Darling, yes, my darling  
Yes, stay stay by my side  
Baby don't go, don't go, baby don't go Don't go, don't go, baby don't go  
Stay and tell me I'm still your baby  
Stay and tell me I'm still your baby  
I wanna be, I wanna be your baby Come on...
