## The Supremes, Can I Get A Witness

(Brian Holland/Lamont Dozier/Edward Holland, Jr.)

Listen everybody, especially you guys Is it right to be left alone While the one you love is never home? I love too hard, my friends sometimes say But I believe, I believe A man should loved that way But it hurts me so inside To see him treat me so unkind Somebody, somewhere tell him it's unfair

Can I get a witness?
Can I get a witness?
Can I get a witness?
Somebody
I want a witness

Is it right to be treated so bad
When you've given everything you had?
Even tossin' in my sleep
'Cause I haven't seen my baby all week
Now, you girls do agree
That this ain't the way love's supposed to be
Let me hear, let me hear you say yeah, yeah

Up early in the morning with him on my mind Just to find out all night that I've been cryin' But I believe a man's a woman's best friend So I'm gonna stick by him till the very end But he causes so much misery I forget how Love is supposed to be Somebody, somewhere, tell him it ain't fair

Can I get a witness? I want a witness

Everybody knows, especially you girls Love can be bad But I have a love that's twice as bad Now you girls do agree That this ain't the way love's supposed to be Let me hear, let me hear you say yeah, yeah

Can I get a witness
