

# The Supremes, High Energy

Spoken intro by Mary Wilson:

Share what you've got

To keep what you need.

Right? Wrong!

Because I need all of you

I may share many things in life

But I will never share my man...

Everytime you love you love me

The way I like it, yeah

Everytime it's something different

I wouldn't share you if I could

You make me feel light as a breeze

Flying like an eagle

Touching life with ease

See the glow you excite within me

Ooh, the love is bursting, bursting in me

ALL:

High...High Energy

High...High Energy

You make me feel light as a breeze

Flying like an eagle

Touching life with ease

See the glow you excite within me

Ooh, the love is bursting, bursting in me

ALL:

High...High Energy (Yeah, yeah, yeah, yeah)

High...High Energy

High...High Energy

High...High Energy

Ooh, ooh, ooh, ooh, ooh-ooh-ooh

Oooooooooohhhhhhhhhhhh...Wow!

Ooh, ooh, ooh, ooh, ooh-ooh-ooh

Ooh, ooh, ooh, ooh, ooh-ooh-ooh

Ooh, ooh, ooh, ooh, ooh-ooh-ooh
