

# The Supremes, How Long Has That Evening Train

(Frank Wilson/Pam Sawyer)

How long has that evening train been gone  
I wanna know  
How long has that evening train been gone

I have a babe that was standing at the station  
Waiting for a train  
I ran to the door with my heart in my hand  
(Heart in my hand)  
And all my future plans  
I've gotta catch him if I can  
Is that express Mr. Station man  
I woke up this mornin'  
With a smile on my face  
Feelin' that the world  
The world was a beautiful place

How long has that evening train been gone  
I want to know  
How long has that evening train been gone

On a scrap of paper was the  
Train arriving information  
His room was empty and his closet's bare  
And not a single shirt was hangin' there

How could the guy just up and leave me  
What did I do that was so displeasing  
Only yesterday he helped me type  
He told me everything  
Everything's gonna be alright

Oh, he said he loved me and he cried  
Oh yeah, he said he loved me and he cried  
Oh, yes he did now

There must be an explanation  
Come on and move out the station  
Can't you see that he's taking my world  
And making me a sad sad girl  
That's why I can't let go  
That's why I gotta know

How long has that evening train been gone  
I wanna know how long  
Has the train been gone  
Oh yeah, has that evening train been gone  
Right now  
Can't wait a minute longer  
How long has that evening train been gone  
Right now
