

The Supremes, (I'm So Glad) Heartaches Don't Last Always

Tossin' and turnin' and losin' my sleep
Cause heartaches by the number you gave to me.
I'm so glad heartaches don't last always.
But I'm so glad heartaches don't last always.

I feel uplifted and at ease
Since my heartaches went away
Someway, somehow I've gotten over you now
No more sitting by the phone
No more wondering if you're alone

Tossin' and turnin' and losin' my sleep
Cause heartaches by the number you gave to me
I'm so glad heartaches don't last always
I'm so glad heartaches don't last always

Getting over you was hard cause we were so close.
In the middle of sweet memories is when it hurt the most.
But I just kept on trying in between crying and ...

Tossin' and turnin' and losin' my sleep
Cause heartaches by the number you gave to me
I'm so glad heartaches don't last always
I'm so glad heartaches don't last always.

How happy I am now that I'm over you.
It's so wonderful this change in me.
How rejoiced I am to be over you at last no more ...

Tossin' and turnin' and losin' my sleep
Cause heartaches by the number you gave to me
I'm so glad heartaches don't last always
I'm so glad heartaches don't last always
