

# The Supremes, In And Out Of Love (1967)

(Brian Holland/Lamont Dozier/Edward Holland,Jr.)

Keep falling in and out of love  
In search for what I'm dreaming of  
I long to find a love I'm sure about  
That certain kind of love that moves all doubts

Keep falling in and out of love  
Still searchin' for that special one  
To whom I can give my love completely  
And feel a lasting love so sweetly

Just when I feel sure love's here to stay  
It seems to suddenly just fade away  
Can't seem to find that everlasting love  
That this heart of mine needs so much of

Keep falling in and out of love  
Can't seem to find the lasting kind  
It seems I can't find the joy I need  
Love always somehow all goes wrong for me

Keep falling in and out of love  
Keep falling in and out of love  
I keep reaching out for tenderness  
Touching a hand that holds emptiness

I'm looking for a love that lingers on  
Long after that first kiss is gone  
That kind of love that keeps burning bright  
Long after we've said goodnight

Keep falling in and out of love  
In search for what I'm dreaming of  
Keep falling in and out of love...
