

The Supremes, It Makes No Difference Now

(Floyd Tillman)

It makes no difference now
What kind of life fate hands me
I'll get along without you
Now that's plain to see

I don't care what happens next
But I'll get by somehow
And I don't worry 'cause
It makes no difference now

Now that we have really parted
I can't believe we're through
And I don't blame myself
And I'm sure I can't blame you

I know something had to happen
And it happened somehow
And I don't worry 'cause
It makes no difference now

After all is said and done
I'll soon forget you
Although I know it will be so hard to do
Let things happen as they will
I'll get by somehow

I don't worry 'cause
It makes no difference now
Not now

Let things happen as they will
I'll get by somehow
I don't worry 'cause
It makes no difference now
