

# The Supremes, Sweet Inspiration

Dan Penn-Spooner Oldham

I need your sweet, sweet inspiration  
I need you here on my mind every hour of the day  
Without your sweet, sweet inspiration  
The lonely hours of the day just don't go my way.

A woman in love needs sweet inspiration  
And honey that's all I ask  
You know that's all I ask from you  
I gotta have your sweet inspiration, yeah  
You know there just ain't no telling  
What a satisfied woman might do.

When you call "Baby", baby  
Is such a sweet inspiration  
And when you call me "Darling", darling  
Sets my heart a-skating  
And if I'm out in the rain, baby  
And in a bad situation  
You know I just reach back in my mind  
And there I find your sweet, sweet inspiration.

Inspiration, yeah, oh, what a power  
And I got the power every hour of the day  
I need your sweet, sweet, sweet, sweet inspiration, yeah  
To go on living, to keep on giving this way.

I need your sweet, sweet inspiration  
And I got the power every hour of the day  
I need your sweet, sweet inspiration  
To go on living, to keep on giving this way.
