

# The Supremes, We Couldn't Get Along Without You

(Special lyrics to "My World Is Empty Without You")  
(Brian Holland/Lamont Dozier/Edward Holland, Jr.)

Hi Berry,  
This is Diane, this is Mary, Florence  
And on behalf of everyone at Motown  
We also wish to extend our congratulations

We couldn't get along without you  
Just couldn't feel the song without you  
Without your hand to guide our way  
We'd all be lost somewhere in yesterday  
We need your strength  
We need your courage too  
We need your constant faith to see us through

We couldn't get along without you  
Just couldn't feel the song without you  
You gave us hope when all our hope was gone  
With wise and patient hands you kept hangin' on  
When things were dark, You brought us shining light  
Words cannot express the way we feel tonight

Berry, on behalf of the people at home  
And the people all over this country  
To whom you are a shining example  
Our deepest congratulations  
And of course our deepest love  
We need you now more than before  
Success is one thing, but you taught us much more

We couldn't get along without you  
Just couldn't feel the song without you  
The world should know the man inside  
Who worked with courage and a deep sense of pride  
Your strong and guiding hand has shown us the way  
From those who love you most we just want to say

We couldn't get along without you  
Just couldn't feel the song without you...
