## The Supremes, Where Or When

(Richard Rodgers/Lorentz Hart)

It seems we stood and talked like this before We looked at each other In the same way then But I can't remember where or when

The clothes you're wearing
Are the clothes you wore
The smile you are smiling
You were smiling then
But I can't remember where or when

Somethings that happen For the first time Seem to be happening again

And so it seems that we have met before And laughed before And loved before But who knows where or when

Somethings that happen For the first time Seem to be happening again

And so it seems that we have met before And laughed before And loved before But who knows where or when
