

# The Supremes, You Didn't Care

(Clarence Paul)

You didn't care  
Or you wouldn't have walked away  
I realize now you must care less every day  
Like a fool I gave you all my love  
I didn't know  
You didn't care

It's not too late  
To reconsider or change your mind  
If you want to  
Only you can end this hurt in my heart

It's in your eyes  
The way you look at me  
They say our love now  
Was never meant to be

I just cried  
You looked at me and laughed  
Then I knew, I knew  
You didn't care

I just cried  
You turned and walked away  
Then I knew, I knew  
You didn't care
