

# The Supremes, You're Gone, But Always In My Heart

(Brian Holland/Lamont Dozier/Edward Holland, Jr.)

Gone is your smiling face  
'Cause you're not around anymore  
But the sound of your laughter  
Still fills this empty place  
'Cause you're always in my heart

Gone is the tender way  
You used to whisper  
How much you care  
But the sound of your whisper  
Still echoes lovely in the air  
'Cause you're always in my heart

Though I removed  
Your picture from the wall  
Nothing's changed  
For your image still remains

In my heart from you  
It can't seem to part  
Though gone is your warm embrace  
But your memory  
I can't erase

'Cause you're always in my heart  
'Cause you're always in my heart  
'Cause you're always in my heart
