Own up, Take a look at yourself  
Own up, Take a look at yourself  
Own up, Take a look at yourself  
Does he ever think of miracel nine  
Your telephone don't answer

Does he ever think of miracel nine  
Own up, Take a look at yourself  
Own up, Take a look at yourself  
Own up, Take a look at yourself  
Does he ever think of miracel nine  
Own up, Take a look at yourself
