

The Sweet, Reflections

Holland/Dozier/Holland

Through the mirror of my mind
Time after time
I see reflections of you and me

Reflections are the way life used to be
Reflections are the love you took from me

Uh, I'm all alone now, no love to shield me
Top in a world as understoodin' reality

Happiness you took from me
And left me alone with only memories
Through the mirror of my mind
Through the tears that I'm cryin'
Reflects the hurt I can't control

'Cause I know you've gone, I keep holding on
To the happy time, uh, when you were mine

As I feel through the window of lost time
Looking over my yesterday and over love
I gave all in vain

(All the love) all the love that I've wasted
(All the tears) all the tears that I've tasted
(All in me) all in me

Through the hallow of my tears
I see a dream this last
From the hurt that you have caused
Everywhere I turn
Seems like everything I see
Reflects the love that used to be

When you have burn my, oh, favour just
Right before my eyes my world has turn to dust

I felt all these nights, I said a lone word
Just a hand full of promises
All that is left for lovin' you

Reflections are the way life used to be
Reflections are the love you took from me
In you I burn my favourite trust
Right before my eyes my world has turn to dust...
