

The Sweet, Two Into One

I've always been a bit strange
Which one of me is gonna change
Wish there was eight days a week
Hardly got the time to speak
To anyone, cept myself

Chorus

Two into one, won't
It won't go
Two into one, won't
It won't go
Two into one, won't
It won't go
Two into one won't go

We'll get myself together
One of us must join the other
Nothing's guaranteed to last
Life is just a plastic cast
Oh no

Chorus

Two into one won't go

I've always been a bit strange
Two into one won't
Witch one of me i gonna change
It won't go
We are just a scitsoied man
Help each other best we can
Together, but is it possible ?

Chorus

Two into one won't go
Two into one won't go
Two into one won't go
Two into one won't go
