The Sweet, White Mice

Connolly/Priest/Scott/Tucker

Sweet woman, you know you're gonna give me the shakes You know it's gonna be allright It's gonna be allright Oh, baby turn your back on me Oh yeah, your back on me tonight Yeah, it's gonna be allright It's gonna be allright

White mice
Into your head
Out of my head
Gonna be allright (be allright)
It's gonna be allright (be allright)
It's gonna be allright (be allright)

Pretty baby, gonna drive me wild tonight You know it's gonna be allright It's gonna be allright Oh honey, gonna spend my money Oh yeah, I'm gonna spend my money on you I said it's gonna be allright You know it's gonna be allright

White cat
Into my head
Out of my head
It's gonna be allright (be allright)
It's gonna be allright (be allright)
It's gonna be allright (be allright)

Gonna be allright It's gonna be allright It's gonna be allright

Dear lover, gonna make you spread tonight You know it's gonna be allright It's gonna be allright Oh baby, gonna paste your face Oh yeah, face to face with you It's gonna be allright You know it's gonna be allright

White light Into my height I saw the light It's gonna be allright...
