

The Swell Season, The Answer Is Yes (Marketa Irglova)

Yes, yes, yes, the answer is
Yes, yes, yes, the answer is

You don't need to tell me the whole story
I was there when it happened
It wasn't all roses and glory
But we have a lot to be proud of, and
I don't need to tell you
That I really missed you
When you went and moved on without me

'Cause I loved you more than I could ever say
And the songs were not enough to make them go away
The feelings that
Made me regret
Being who I was and not who I could be
When you found me
And you saw me
You saw a spark in me before anyone else did

Was it all worth it?
Was it all worth it?
Look around you, it is more than a guess
The answer is
Yes, yes, yes, the answer is
Yes, yes, yes, the answer is
Yes

Today is the day you get married
I wasn't sure it would happen
You were always everybody's
While somebody's one and only
And I'm happy to see, that
That much has changed, and
You have finally gotten out of your way

'Cause I love you more than I could ever say
And our friendship isn't something that can go away
And I promise you, that
I will never forget
I am where I am today, all thanks to you
'Cause you found me
And you saw me
You saw a spark in me before anyone else did

Was it all worth it?
Was it all with it?
Look around you, it is more than a guess
The answer is

Dream as if you'll live forever, and
Live as if you'll die today
Don't worry too much about it
Don't be afraid to just say

Yes, yes, yes, the answer is
Yes, yes, yes, the answer is
Yes, yes, yes, the answer is
Yes, yes, yes, the answer is
Yes
