

# The Swellers, Damage Control (Greg's Song)

Rule 1, never post your girlfriends nudes  
Never put your sex tapes on youtube  
Not at least till she cheats on you you're done  
But Greg, it looks like you fucked up this time  
But if she's still you're girlfriend, then you're fine  
If she thinks she looks good, then what's the crime?  
You've won!

Damage Control  
Tell her you love her more than you love her naked mirror shots  
Damage Control  
Tell her you'll keep them to yourself from now on  
Damage Control  
Tell her that you're sorry, that you were feeling gnarly that night  
Damage Control  
To the recycle bin, but first send us the pics
