

The Swift, Today

Today is gonna be the day I'll always remember
I'm not gonna let these feelings slip away
This time is forever
Every day, I wanna choose
To be someone that You can use
Cause You're my God
My heart's Your throne
And I will live to make You known

Today
I will live to make You known
I will live for You alone
Today is gonna be the day I lay down my life
Let all my foolish pride be stripped away
I give up my rights

Everyday, I'm gonna choose
To be someone You can use
'Cause You're my God
My heart's Your throne
And I'm alive to make You known

No eye has seen
No ear has heard
What You have in store for me, Today
