

The Swift, Unbelievable

It's unbelievable
That the world would choose to be left out
It's undeniable...this Love I found
Do you know what I'm talkin' about

'Cause I found the one thing you've been missing
And I'm singin' "Yeah,"
You gotta believe
It's crazy to run from the One who
Only wants to give what you need

"Hey, hey, hey" ...how can you say
You don't need to have His love in your heart
I can't believe you'd turn away
From the Love that takes you just as you are

I was lost, getting tossed by
Every wind and wave of the sea
Sinkin' in my sin
'Til Someone came and rescued me

"Hey, hey, hey" ...there's not way
You could ever make it on your own
You've got a friend to Jesus
He'll NEVER EVER leave you alone

"Hey, hey, hey" ...how can you say
You don't need to have His love in your heart
His love is so unbelievable
