

# The Tea Party, Midsummer Day

When you've decided to hold on to all that you've lost  
When you've decided to hold on to all that you've lost  
All this is nothing if she comes and tears you apart  
All this is nothing if you hold the key to her heart

If you've decided to change what you thought was your way  
This new way will take you to her and to midsummer day  
All this is nothing if she comes and tears you apart  
All this is nothing if you hold the key to her heart

And I'm crying in the night  
And I'm waiting for her call  
Won't you help me girl tonight  
Cause I'm waiting for her call

And I'm crying in the night  
And she's flowing from my mind  
And the sky is turning black  
And I'm running out of time

You'll shed a last tear if you miss what you thought was your way  
This new way will take you to her and to midsummer day  
All this is nothing if she comes and tears you apart  
All this is nothing if you hold the key to my heart

All you are is in you
