

The Temptations, Fan The Flame

Once a wiseman said to me. This advice I give you free. A woman is made of fantasy so fan the flame.

A woman needs love and affection and little things mean alot (little things mean alot). And when she

Make her feel she ten feet tall, even though she short and small. so fan the flame. Her love is yours

A woman needs love and praising so give her them each day. Tell her you love her, its added protection
