

The Temptations, Lonely, Lonely Man Am I

(Loneliness Made Me Realize) It's You That I Need Lyrics

Oooooooooohhhoooooooo

Lonely man am I

ever since you said goodbye.

girl I know that i should have woke up

Cause it seems now that we broke up

your fairwell kiss is haunting me

my two lips cry out constantly

let your heart, let your heart be your guide

forget about your foolish pride

starting tomorrow i keep telling myself

i'm gonna get out and find somebody else

somebody that's sweet and kind

who will erase you out of my mind

but tell me how can i find somebody new baby

when my two arms keep reaching out for you

and my two lips keep right on repeating

it's you that i need

ooooooooohhhh

you know that even when I close my eyes to forget you

i see your face and your memories too

girl I've never felt this loneliness before

and ooooh girl I just can't take it no more

every night a million tears i shed

girl every morning going out of my head

just take a good look and you'll see

what this loneliness is doing to me

(it's you that I need) oooooohhhoooooooo

(don't you know that it you that i need)oooh I can't take this loneliness

(you that I need) ooooh baby i need you

(you that I need) ooooooooooh

so a fool i'm gonna be no more

cause i'll soon be knocking knocking on your door

gonna get down on my bended knees

beggin' please girl come back to me

its you that I need

girl it's you that I need

girl take a good look and you'll see

what this loneliness is doing to me
