

The Temptations, No Man Can Love Her Like I Do

NO MAN CAN LOVE HER LIKE I DO!

Ah, he can buy her diamonds, he can buy her pearls,
He can send her on a trip, all around this world.
He can buy her anything her little heart desires
But he don't know how to set that little girl's soul on fire

Even though he drives a big fine Cadillac car,
And he keeps her dressed up (ah!) like a movie star.
Anything she asks of him, his money can buy
But when it comes down to love, she gives me a try!

No man can love her like I do

Tell the truth, no man can love her like I do,
No man can love her like I do
Even though I don't have one thin dime,
Everytime I call her, you know she's right on time.

No man can love her like I do

Ain't no man in this land who can love her like I do!
No man can love her like I do!
