

The Temptations, The Way You Do The Things You Do

You've got a smile so bright, you know you could have been a candle
I'm holding you so tight, you know you could have been a handle
The way you swept me off my feet, you know you could have been a broom
The way you smell so sweet, you know you could have been some perfume

[Chorus:]

Well, you could have been anything that you wanted to
And I can tell, the way you do the things you do

As pretty as you are, you know you could have been a flower
If good looks was a minute, you know that you could be an hour
The way you stole my heart, you know you could have been a crook
And baby you're so smart, you know you could have been a schoolbook

[Chorus]

You made my heart so rich, you know you could have been some money
And baby you're so sweet, you know you could have been some honey

[Chorus]

You really swept me off my feet, you made my life complete
You made my life so bright, you make me feel alright
