

# The The, Another Boy Drowning (live)

Monday morning, I looked the mirror in the eyes  
I think I'd kill myself, if I ever went blind  
your life is slipping away,  
you found out you're older than you thought  
- you were today

You've gotta stay optimistic  
It gets harder by the second  
We all know we're edging our way toward - the end.  
- carving hearts and crosses in my head -

There's people on the streets  
throwin' rocks at themselves  
Coz they ain't got no money -  
And they're livin' in hell -  
But there's animals down the road  
adding fuel to this heat  
It never did take much guts to be a sheep.

There are no voices - as the time approaches,  
I wanted to be like Bob Dylan  
Until I discovered Moses  
Saturday night I was lying in my bed  
The window was open and raindrops  
Were bouncing off my head  
When it HIT me like a Thunderbolt!!!  
"I don't know nothing and I'm scared  
that I never will"

You pray to your god, that you'll never feel so much pain again.  
But the agony - has just begun.  
Movin' on, opening new doors,  
Life... just doesn't seem that simple anymore -  
And in case I don't see you again,  
I hope you'll feel glad that you knew me - while I was HERE!!!
