

The Thorns, Thorns

Thorns

Just keep walking away from it all
I don't have a plan
For calling you back ever at all

Thorns

Keep walking away from it all

Cause I shouldn't have to tell you
Every time I see you
You know I don't want you around
And I shouldn't have to tell you
Every time I see you
I'm getting sick of putting you down

Thorns

You keep sticking around in my side
I just wanna know when you will go
Once you arrive

Thorns

Keep sticking around in my side

Keep hanging around
And I'll keep walking away

Cause I shouldn't have to tell you
Every time I see you
You know I don't want you around
And I shouldn't have to tell you
Every time I see you
I'm getting sick of putting you down

Thorns

Keep walking away from it all
Thorns
Keep walking away

Ain't no talking to
No getting rid of you
Once you've got your foot in the door

Keep hanging around
I'll keep walking away

Thorns
