## The Three Degrees, Year Of Decision

Yes this is the year To make your decision. Yes this is the year To open up your mind. If you've been holding back kind of slack Now's the time to get the things you need. There ain't no reason why you should be shy People have died to set you free. we need ev'ry one to succeed Ev'rybody to succeed ev'rybody. Soul isn't enough hey come on and join us Please (come on come on and join us please: Yes this is the year If you're strong out on a Jones Better make sure that you leave the bad stuff What ever you wanna do think it over good Cause the change is up to you. we need ev'ry one to succeed
