The Thrills, Satuday Night

Is this what they call love Is this what they call love Is this what they call love on a Saturday night?

I'm just a man I'm just a man Not even a great one I'm too vain for greatness Is this what they call love on a Saturday night?

Is this what they call sex Is this what they call sex Is this what they call sex on a Saturday night?

Time for the night clubs
Time for the night clubs
Providing the soundtrack for
humping on dance floors
Is this what they call sex
on a Saturday night?
Alright

Is this what they call hate Is this what they call hate Is this what they call hate on a Saturday night?

Broken your bottles
Broken your bottles
Thrown like American footballs
Hey its just jocks high on hormones
Is this what they call hate
on a Saturday night?
Alright
Is this what they call hate
on a Saturday night?
Alright
