

# The Thrills, Say It Ain't So

This old world won't take me home  
I said sure for the hell she goes  
Well i dont know man, well i dont know man  
(I sure know i'm here)

Ooh, say it ain't so  
Ooh, say it ain't so  
Because i sure love you so

Memories dig in my heels  
I dont care girl,  
I'll be there girl

So does this mean your truly gone?  
Well i don't know man, well i dont know man  
(I sure know i'm here)

Ooh, say it ain't so  
Ooh, say it ain't so  
Because i sure love you so

Ooh, say it ain't so  
Ooh, say it ain't so  
Because i sure love you so
