

The Tiger Lillies, Banging in the Nails

I'm crucifying Jesus, banging in the nails,
And I am so happy, because old Jesus failed.
I'm crucifying Jesus, nail him to the cross,
The poor old bastard bleeds to death and I don't give a toss.

I'm bang, bang, bang, bang, bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang, bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang, bang, bang, bang, bang,
banging in the nails.

I'm crucifying Jesus, in my piss he bathes.
I think I am a pervert, I think I am depraved
I'm crucifying Jesus, beat him to a pulp,
I stick my organ in his mouth and on it he must gulp.

I'm bang, bang, bang, bang, bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang, bang, bang, bang, bang,
banging in the nails.

You see that crown of thorns upon his head?
Well that was my idea.
I think I might be going to hell,
Oh dear!

I'm bang, bang, bang, bang, bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang,
banging in the nails.

I'm bang, bang, bang, bang, bang, bang, bang, bang,
banging in the nails.
