

# The Tiger Lillies, Bastard

A nice man came on Monday,  
he was so good and kind,  
she almost felt a twinge of guilt  
when she had robbed him blind.  
A nice man came on Tuesday,  
rich, gentle and good,  
she put him so much into debt,  
he lost his livelihood.

But, when a bastard came along,  
a bastard through and through,  
then she loved that bastard,  
she loved that bastard true.

A nice man came on Wednesday,  
Macky slit his throat,  
and after he had slit it,  
he sold his hat and coat.  
A nice man came on Thursday,  
she said him she did love,  
until the money, it ran out,  
then she him gave the shove.

But, when a bastard came along,  
a bastard through and through,  
well, then she loved that bastard,  
she loved that bastard true.
