

# The Tiger Lillies, Beat Me

beat me till I'm black, beat me till I'm blue,  
i will, I will love you.  
beat me till I cry, beat me till I die,  
I will love you.  
and burn my house to the ground,  
I will not make a sound.  
beat me till I bleed, beat me, yes indeed,  
I will love you.  
beat me till I cry , beat me till I die,  
I will love you.  
and burn my house to the ground,  
I will not make a sound.  
so beat me till I'm black, and beat me till I'm blue,  
I will , I will love you.  
beat me till I'm black and beat me till I'm blue,  
I will love you, yes, I will love you.
