

The Tiger Lillies, Crap

there's crap on the records, there's crap on CD,
it's got to be crap, it's an industry.
this crap makes me angry, this crap makes me sad,
cause this crap, yes this crap, yes this crap is so bad.

yes this crap (X19) this crap (X 19)

crap on the television, crap on TV,
it's got to be crap, it's an industry.
well this crap is a sickness, this crap's a disease,
this crap rots our brains and brings us to our knees.
