

# The Ting Tings, Wrong Club

If you can't move your feet  
You wanna stand with a woman  
You wanna stand with me  
If you don't seem to fit in  
You wanna take some cover  
You wanna leave with me

Did I ever tell you about the way I wanna feel  
Giving it up and fly away  
Did I ever tell you about the good times that you get  
Don't know if you got another day

Oh  
Hey! I'm in the wrong club  
Listening to this shit  
Oh  
Hey! I'm in the wrong life, someone get me out of it  
Oh

And if you wanna come in  
We can sit on boxes  
I keep everything  
And if you're standing in the corner  
You can tell me you don't wanna talk  
And I tell you how it's always been

Did I ever tell you about the way I wanna feel  
Giving it up and fly away  
Did I ever tell you about the good times that you get  
Don't know if you got another day

Oh  
Hey! I'm in the wrong club  
Listening to this shit  
Oh  
Hey! I'm in the wrong life, someone get me out of it  
Oh

I ain't moving though the beat is on  
Everyone's gonna let me know it  
Get me out somewhere I belong  
Come with me, we can over throw it  
What's the matter with the crazy fool  
Keep it in or I can go and show  
No DJ never saved my life

Oh  
Hey! I'm in the wrong club  
Listening to this shit  
(DJ never saved my life)  
I'm in the wrong life, someone get me out of this  
Oh
