The Toy Dolls, Harry's Hands

Harry's hands are hands of mystery Connected to all calamities Harry's hands are hands of mystery They're accused of all burgiaries

Harry's hands ain't what they used to be Harry's hands can't take anymore Harry's hands are hands of honesty It's a tragedy

(Chorus:)

And nobody understands, that Harry's handcuffed hands falsely accused, He's confused They made Harry's life hell, locked Harry in a cell And put the blame, they put the blame on... Harry's hands oo oo Harry's hands oo oo

Harry's hands ain't what they were before The coppers call Harry a criminal Honest Harry, he never broke the law It's a tragedy

(Chorus)

Judge: Équot; Harold Hands, you are an habitual criminal, I therefore sentence you to 125 years imprisonment Equot;

(Guitar Bit / Chorus)

Harry's hands oo oo
