

The Toy Dolls, I'm A Lonely Bastard

Nobody loves me, nobody cares
Nobody invites me to the party - we don't want him there
Introverted, we stay
Sittin all alone his night is so sad - he ain't got no mates

(Chorus)

Don't say a word, don't say a word, don't say a word to me
My oh my, I just don't know why,
Tell me why, oh why I'm a lonesome guy
Down they point everyone stares
I'm a lonely bastard there's
Nowt more, nowt more lonely than me
Nowt more, nowt more lonely than me

Nobody calls me nobody phones
Nobody ever sends a postcard to me - I'm always alone

(Chorus)

He's a lonely bastard

(Chorus)
