

The Toy Dolls, I Tried To Trust Tracey

Ooooh, ooooo
She's a fibber
she's always telling him lies
he can't trust her
no matter how he tries
she swore to me
that I would always be the one
then she blew me out she's upt and gone

Will she ever change
she won't fib to me again
or will she stay the same way as before

(Chorus:)
I tried tried tried to trust Tracy
never trust Tracy.. she's not trustworthy
I tried.....
you shouldn't trust...
you shouldn't trust Tracy.

They both agreed she'll meet him at 9:30
she was not there
coz Tracy was with me.

Will she ever change...
(Chorus)
