

# The Toy Dolls, I Wish My Eyes Were Ernie's

She looks so diviine & I can't see  
Why she prefers that nerd to me  
How come she ain't mine, I wanna be  
I wish that I could be Ernie

'I've got the blues, if I could choose  
then I would be in Ernie's shoes oooo, Who's he... Ernie.  
It would be my only chance,  
if I were wearing Ernie's pants  
I wish my eyes were, wish my eyes were...

I wish my eyes were Ernie's, I wish it could be true  
I fantasize I have the eyes of Ernie's  
to see through and  
if my eyes were Ernie's, then I would not be blue  
coz if my eyes were Ernie's  
my eyes would be with you.

Her hands in Ernie's as she walks by  
Its gone way to far  
I'm shakin' at the knees, she looks so fine  
how comes Ernie's bird aint mine

'with Ernie's arse & Ernie's chest  
In Ernie's under-kegs n' vest  
I wish my eyes were, I wish my eyes were...

I wish...

(Guitar bit)

With Ernie's hand n' Ernie's arms  
I wish that I had Ernie's charms  
I would never let her go, If I were only Ernie oh  
I wish my eyes were... Wish my eyes were ooooo

I wish my eyes were Ernie's...
