

The Toy Dolls, Lazy Sunday Afternoon

Wouldn't it be nice to get on with my neighbours
But they make it very clear they've got no room for ravers

CHORUS:

Lazy sunday afternoon

I got no time to worry

I close my eyes & drift away

Here we all are sittin' in a rainbow

Cor blimy 'Allo Mrs. Jones, how's your Berts lumbago'

Diddly may...

I'll sing you a song with no words & no tune

Sing in your party while you suss out the moon

CHORUS...Quiet passage

Roody Doody do, Roody doody di day

Roody Doody dum a Reedy deedy do dee

There's no one to hear me, there's nothing to say

& no one can stop me from feeling this way

CHORUS...Lazy sunday afternoon...
