

The Toy Dolls, One More Megabyte

One more, one more, one more, one more:

* megabyte maniac

fiddle with the mouse like a junky

*

I need me-me-memory

He's a brat, he's a boor, with a word processor

Don't disturb on the door - no entry

My, my what we got *

(?In a gown?) * can I fill up your ram

*

(Chorus)

gimme gimme gimme one more

gimme gimme gimme one more

I need another megabyte to save my sanity - one more!

Where's he at, where's he gone, turnin that computer on

In his room (? On the floor ?) beep beep beep

Yeah man, he's gone, always *

Can't take no more had enough I've had it all

*

* sh-sh-shake it

(Chorus)

(Guitar Bit)
