

# The Toy Dolls, She Goes To Finos

Every night  
I know that she goes to Finos,  
And every night  
I know that she see's him  
Every night  
She holds him tight at Finos  
And everynight  
It's alright for him...

And she goes... La la la la la la la to Finos  
Yes she goes... la la la la la la la with him,  
And she goes... La la la la la la la to Finos  
Yes she goes... la la la la la la la... with him!

Every night  
I try to get into Finos  
And every night  
They just won't let me in,  
And everynight  
I watch him meet her at Finos  
And every night  
It's alright for him...

And she goes... La la la la la la la to Finos  
Yes she goes... la la la la la la la with him,  
And she goes... La la la la la la la to Finos  
Yes she goes... la la la la la la la... With him!

One of these nights  
I'm gonna get into Finos  
And one of this nights  
I'm gonna make her see me,  
And every night  
I'm gonna get into Finos  
And everynight  
Will be alright for me...

And she goes... La la la la la la la to Finos  
Yes she goes... la la la la la la la with him,  
And she goes... La la la la la la la to Finos  
Yes she goes... la la la la la la la... With him!
