

The Tragically Hip, Pigeon Camera

richard talks too slow he'd get interrupted long before i always loved that guy and he's not on t.v. and
the wherewithal to get out before he had the wherewithal
you've got to coax him slow, that's the only way that he'll confess tell him that the truth will help him
before he had the wherewithal to get out before he had the wherewithal that's a breathy body of work
for a leaner look
richard died real slow, he won't get interrupted anymore i always loved that guy and he's not on t.v.
he had the wherewithal to get out before he had the wherewithal
